Main  
4th Year College

I have several years of experience for Designing, Now this has become my only passion and therefore, I am stuck on this sector for about 3 years. I am expert in Photoshop other graphic media. I am also efficient enough at communicating and visualizing my works towards others methodically and within the deadlines. Moreover, I have a keen eye for details and aesthetics.

### WORK EXPERIENCE

2020 - 2022
